

Resolution in Solidarity with the People of Syria

The WPC Secretariat adopted in its meeting in Vientiane/Laos the following resolution in Solidarity with the people of Syria expressing its support to the efforts of the people of Syria to defend its sovereignty and territorial integrity against the imperialist aggressions of US, NATO and the EU with the fundamentalist mercenaries who spread death, terror and destruction since 8 years in Syria. Despite the significant victories of the Syrian people, its army and its leadership, we denounce the ongoing occupation of Syrian land and in particular the recent invasion and occupation of sovereign Syrian territory by Turkey in the Northeastern part. We demand the withdrawal of all foreign occupation forces from Syria, including the Israeli occupation of the Syrian Golan and the lifting of the sanctions by the US and EU so that the Syrian people can decide freely for their future and destiny.
